Customization at your fingertips

We offer a full line of precision crafted aluminum trims. Our modular downlight solution allows you to pair nearly any of our trims with your downlight. Utilize a square trim for a more modern aesthetic. Opt for flangeless to perfectly blend the downlight into the ceiling.

ACCENT

Accent lighting is directed at the things you want to illuminate. It enhances the objects or architectural features that you want to draw attention to throughout your space. An entire wall can become an accent when lit with grazing linear light, a timber beam can glow when accented by linear light.

- ✓ WALL GRAZING
- ✓ ARTWORK
- ✓ WOOD BEAMS
- ✓ COVES

AMBIENT

Ambient lighting, or what is commonly called general lighting, serves as the primary source of light for a certain room. It is the foundation of all the lighting of a room

- ✓ PERFORMACE COVES
- ✓ EMBEDDED EXTRUSION
- ✓ TRAY CEILINGS
- ✓ HIGH LUMEN FIXTURES

TASK

Task lighting brightens a particular area making the completion of a task easier as opposed to ambient lighting that illuminates a general area.
